2013 Naturalization Study Guide:

Language, Immigration and Naturalization Ariel Loring, Vaidehi Ramanathan, 2016-04-20 This volume focuses on the everyday legalities and practicalities of naturalization including governmental processes the language of citizenship tests and classes the labelling and lived experiences of immigrants outsiders and the media's interpretation of this process The book brings together scholars from a wide range of specialities who accentuate language and raise issues that often remain unarticulated or masked in the media The contributors highlight how governmental policies and practices affect native born citizens and residents differently on the basis of legal status Furthermore the authors observe that many issues that are typically seen as affecting immigrants such as language policies nationalist identities and feelings of belonging also impact first generation native born citizens who are seen as or see themselves as outsiders

Beyond Binaries and

Polarization? Elke Winter, 2025-06-30 This book explores what lies between the statuses of insider and outsider in immigrant nations It asks Who is conditionally included excluded in relation to whom and for what reasons What does this conditional inclusion exclusion entail in terms of citizenship material resources and sense of belonging How does it affect the cultural and economic well being of refugees migrants and the host society The focus is on Canada which is often described as the quintessential immigrant nation The chapters in this book provide new insights into several hotly contested issues the overlapping cultural and economic logics of nationalist inclusion exclusion the growing prevalence of temporary and two step migration regimes the importance of cities in managing multiculturalism the need to disaggregate minority groups and the intersections of race class and gender in narratives of nationhood By shifting the focus of research from us them binaries to the study of relational inclusion exclusion involving three or more actors or groups this book highlights the often overlooked conditionality and temporality of immigrant inclusion the messiness of policies aimed at ethnic diversity and the uneven distribution of attitudes among members of minority groups This book will be valuable for scholars students and policymakers in the fields of sociology political science migration studies and Canadian studies The chapters in this book were originally published as a special issue of Nationalism and Ethnic Politics and are accompanied with a new Foreword a comprehensive glossary and critical engagement questions

Global Perspectives on the Politics of Multiculturalism

in the 21st Century Fethi Mansouri, Boulou Ebenda de B'béri, 2014-06-05 Multiculturalism is now seen by many of its critics as the source of intercultural and social tensions fostering communal segregation and social conflicts While the cultural diversity of contemporary societies has to be acknowledged as an empirical and demographic fact whether multiculturalism as a policy offers an optimal conduit for intercultural understanding and social harmony has become increasingly a matter of polarised public debate This book examines the contested philosophical foundations of multiculturalism and its often controversial applications in the context of migrant societies It also explores the current theoretical debates about the extent to which multiculturalism and related conceptual constructs can account for the various ethical challenges and policy

dilemmas surrounding the management of cultural diversity in our contemporary societies. The authors consider common conceptual and empirical features from a transnational perspective through analysis of the case studies of Australia, Canada, Columbia, Germany, New Zealand, the United Kingdom and Uruguay. This book will be of interest to students and scholars of political science, comparative politics, international studies, multiculturalism, migration and political sociology.

Containing Diversity Yasmeen Abu-Laban, Ethel Tungohan, Christina Gabriel, 2022-10-03. Although Canada is known internationally as a leader among industrialized countries for inclusive practices towards immigrants and refugees, the twenty-first century has witnessed a rise in the number of refugees and temporary migrant workers who are often denied citizenship and may also experience detention and deportation. *Containing Diversity* examines to what extent Canada's long-standing support for immigration, multiculturalism and citizenship has shifted in favour of discourses, policies and practices that contain diversity. This book reflects on how diversity is being contained through practices designed to insulate the Canadian settler colonial state. In assessing the Canadian government's policies towards refugees and asylum seekers, economic migrants, family-class migrants, temporary foreign workers and multiculturalism, the authors show the various contradictory practices in effect. *Containing Diversity* reflects on policy changes analysed alongside the resurgence of right-wing political ideology and the realities of the COVID-19 pandemic. Ultimately, *Containing Diversity* highlights the need for a re-imagining of new forms of solidarity that centre migrant and Indigenous justice.

Kenneyism Jeremy Appel, 2024-02-06. The harsh moralistic worldview of Jason Kenney has spurred right-wing populism to the mainstream in Canadian politics, but he unleashed forces he couldn't control. From Jason Kenney's days as an anti-abortion activist at the University of San Francisco and through his years as a Canadian Taxpayers Federation lobbyist, Reform MP, top cabinet minister in the Harper government and Alberta premier, he has been single-mindedly driven to bring his harsh moralistic worldview into the mainstream. Kenney took on the old guard of Canada's liberal consensus and won, playing a key role in shifting the country's political discussion to the right. But the very right-wing populist forces Kenney cultivated would come back to haunt him. Jeremy Appel has observed Alberta politics and reported on various aspects of Kenney's agenda since 2017, when Kenney made his way across the province in his big blue pickup truck to rile up aggrieved conservatives. *Kenneyism* examines Kenney's political beliefs, his rise through federal political ranks and his ultimate resignation from the leadership of the United Conservative Party.

Gendered Militarism in Canada Nancy Taber, 2016-01-29. Despite Canada's claim to be a gender-equitable nation, militarism continues to function in ways that protect inequality. From the Introduction: Little has been done to examine, critique and challenge the ways ingrained societal ideas of militarism and gender influence lifelong learning patterns and practices of Canadians. Editor Nancy Taber and ten other contributors explore reasons why Canadian educators should be concerned with how learning militarism and gender intersect. Readers may be surprised to discover how this reaches beyond the classroom into the everyday lessons, attitudes and habits that all Canadians are taught often without question. Pushing the boundaries of

education theory research and practice this book will be of particular interest to feminist adult and teacher educators and to scholars and students of education the military and women s and gender studies Foreword by Patricia Gouthro Contributors Mark Anthony Castrodale Gillian L Fournier Andrew Haddow Cindy L Hanson Laura Lane Jamie Magnusson Robert C Mizzi Shahrzad Mojab Sne ana Ratkovi Roger Saul Nancy Taber The Road to Citizenship Sofya Aptekar,2015-03-18 Between 2000 and 2011 eight million immigrants became American citizens In naturalization ceremonies large and small these new Americans pledged an oath of allegiance to the United States gaining the right to vote serve on juries and hold political office access to certain jobs and the legal rights of full citizens In The Road to Citizenship Sofya Aptekar analyzes what the process of becoming a citizen means for these newly minted Americans and what it means for the United States as a whole Examining the evolution of the discursive role of immigrants in American society from potential traitors to morally superior supercitizens Aptekar s in depth research uncovers considerable contradictions with the way naturalization works today Census data reveal that citizenship is distributed in ways that increasingly exacerbate existing class and racial inequalities at the same time that immigrants own understandings of naturalization defy accepted stories we tell about assimilation citizenship and becoming American Aptekar contends that debates about immigration must be broadened beyond the current focus on borders and documentation to include larger questions about the definition of citizenship Aptekar s work brings into sharp relief key questions about the overall system does the current naturalization process accurately reflect our priorities as a nation and reflect the values we wish to instill in new residents and citizens Should barriers to full membership in the American polity be lowered What are the implications of keeping the process the same or changing it Using archival research interviews analysis of census and survey data and participant observation of citizenship ceremonies The Road to Citizenship demonstrates the ways in which naturalization itself reflects the larger operations of social cohesion and democracy in America **Uncertain citizenship** Anne-Marie Fortier,2021-04-13 Uncertainty is central to the governance of citizenship but in ways that erase even deny this uncertainty This book investigates uncertain citizenship from the unique vantage point of citizenisation twenty first century integration and naturalisation measures that make and unmake citizens and migrants while indefinitely holding many applicants for citizenship in what Fortier calls the waiting room of citizenship Fortier s distinctive theory of citizenisation foregrounds how the full achievement of citizenship is a promise that is always deferred if migrants and citizens are continuously citizenised so too are they migratised Citizenisation and migratisation are intimately linked within the structures of racial governmentality that enables the citizenship of racially minoritised citizens to be questioned and that casts them as perpetual migrants Drawing on multi sited fieldwork with migrants applying for citizenship or settlement and with intermediaries of the state tasked with implementing citizenisation measures and policies Fortier brings life to the waiting room of citizenship giving rich empirical backing to her original theoretical claims Scrutinising life in the waiting room enables Fortier to analyse how citizenship takes place takes time and takes hold in ways

that conform exceed and confound frames of reference laid out in both citizenisation policies and taken for granted understandings of the citizen and the migrant Uncertain Citizenship s nuanced account of the social and institutional function of citizenisation and migratisation offers its readers a grasp of the array of racial inequalities that citizenisation produces and reproduces while providing theoretical and empirical tools to address these inequalities **The National Bibliography of Nigeria** ,2014 **Library of Congress Catalogs** Library of Congress,1955 **Estimates** Canada.
