Dear Mr. Sandro

I am applying for the Technical Writer position advertised in the February 1998, Memphis Magazine. My relevant experience is diverse and establishes me as a first-class candidate for this opportunity.

My writing experience is extensive. I am currently employed as a staff technical writer for a local company. My past work experience includes business and freelance writing and editing. At my current employer, I draft technical descriptions of products for the company website and maintain any and all new hire documentation such as the employee handbook.

Additionally, I edit fiction manuscripts for an online e-book publishing company. Specifically, I edit for overall flow, content, grammar and spelling. In my editing role, I have regular interaction with authors and the publisher.

I am available for an interview scheduled at your convenience. I may be reached at the telephone number above. Thank you for your consideration.

Sincerely,

Mr. Andy Croell
