

[NAME]

Dear [ADMISSIONS OFFICE],

I am writing this letter to express my interest in applying for your nursing program in your prestigious school.

I have always had a passion for nursing since I was in high school. I was inspired to become a nurse by my first teacher who had one of the grandmothers when she was admitted because of [DISEASE]. I always believe that part of what nurses spend up her resources and the never-incomparable quality of nursing care.

Over time, I have developed a profound interest in the profession. I want to be able to help the underserved or other people like me who are missing my grandmother.

With the skills acquired that I have for others, I believe that I would be an effective nurse someday and would be a benefit to the nursing program that you have in your institution. I have attached the necessary documents for this application along with a list of references and all my qualifications.

I look forward to becoming a part of your school this coming season of [YEAR].

Respectfully,
