Universal Jurisdiction over Core International Crimes Lachezar Yanev,Harmen van der Wilt,2025-09-10 This timely book explores how the domestic courts of states across Europe North America and Oceania have defined and applied their substantive laws in universal jurisdiction trials for core international crimes It considers what universal justice actually looks like in the national courtrooms of diverse states and probes the extent to which there is uniformity in the pursuit to punish universally condemned crimes

The Obligation to Extradite Or Prosecute Kriangsak Kittichaisaree,2018 It was hoped that the creation of the International Criminal Court would enable the extradition and prosecution of crimes which shock the world Fifteen years later Kittichaisaree scrutinises the achievements and limitations of the court so far offering his own vision for ensuring that no international criminal escapes the eye of justice

Polymorphism in Molecular Crystals Joel Bernstein,2020-04-28 Most people are familiar with the fact that diamond and graphite are both composed only of carbon yet they have very different properties which result from the very different structures of the two solids they are polymorphs of carbon Understanding the relationship between the structures and the

properties of materials is of fundamental importance in developing and producing new materials with improved or new properties The existence of polymorphic systems allows the direct study of the connection between structures and properties This book provides grounding on the fundamental structural and energetic basis for polymorphism the preparation and characterization of polymorphic substances and its importance in the specific areas of pharmaceuticals pigments and high energy explosive materials The closing chapter describes the intellectual property implications and some of the precedent patent litigations in which polymorphism has played a central role The book contains over 2500 references to provide a ready entry into the relevant literature National Youth Development Agency Annual Report South Africa.
