Reading
On Tuesday, Helen baked a cake. She used a basic recipe but added chocolate chips, raisins and some sliced strawberries. When she took it out of the oven, her dog, Bounder, came bounding in and knocked it out of her hands! It crashed to the floor and crumbled into pieces. Bounder sniffed it, ate a chunk and ran off into the garden.

Put ticks in the grid to show which statements are true and which are false.

Statement

- Helen baked a cake on Wednesday.
- Helen's cat is called Bounder.
- Helen added strawberries to her cake.

2005 Sats Ks1 Task:

Reading Under Control Judith Graham, Alison Kelly, 2015-09-29 Now in an updated third edition this best selling textbook introduces primary teachers to the key issues in how to teach reading. The authors celebrate reading as an important exhilarating part of the curriculum with the potential to transform lives whilst also giving a balanced handling of contentious issues. Strongly rooted in classroom practice.

The Linguistic Challenge of the Transition to Secondary School Alice Deignan, Duygu Candarli, Florence Oxley, 2022-12-30 This book provides a unique analysis and description of the linguistic challenges faced by school students as they move from primary to secondary school a major transition which some students struggle with emotionally and academically. The study draws on a bespoke corpus of 2.5 million words of written materials and transcribed classroom recordings provided by the project's partner schools. Combines quantitative and qualitative approaches to the corpus data to explore linguistic variation across school levels registers and subjects. Describes the procedures of corpus compilation and analysis of written and spoken academic language showing how modern corpus tools can be applied to this far-reaching social and educational issue. Uncovers differences and similarities between the academic language that school children are exposed to at primary and secondary school contrasting this against the backdrop of the non-academic language that they encounter outside school. This book is important reading for advanced students and researchers in corpus linguistics applied linguistics and teacher education. It carries implications for policymakers and schools looking to support students at this critical point in their schooling.
