MARK SCHEME for the May/June 2014 series

9701/21

9701 CHEMISTRY

Paper 2 (Structured Questions AS Core),
maximum raw mark 60

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

A health care executive at Harvard explains how to become a savvy consumer and get the value we all deserve for our health care spending. This book navigates and demystifies the confusing world of health care shopping. Readers go on a guided tour inside American health care to learn why it is so messy and who is invested in keeping it that way. The text offers a new vision of how health care could work if it were truly designed to meet consumer needs, creating a call to action on how to demand and help create such a system. A wake up call to an industry tenuously holding on to the status quo and ripe for true disruption, this book outlines what consumers can do themselves and demand from doctors, hospitals, health plans, and policy makers to get more for their health care spending and in so doing reshape the health care system into one we all deserve. Using real and compelling consumer stories intertwined with expert analysis, this book illustrates why it is so difficult to act as an engaged health care consumer in the United States and pulls back the curtain to expose the forces that hold the system in place. **Commercial and Financial Chronicle Bankers Gazette, Commercial Times, Railway Monitor and Insurance Journal**, 1883. *Covered Employment & Payroll*, 1996.
