

MARK SCHEME for the May / June 2014 - 0450 BUSINESS STUDIES 0450/13 Paper

1 (a) What is meant by 'paid by time rate'? [2]

e.g. receive a set amount of pay for every hour worked

e.g. by the hour

(b) Calculate the following: [2]

(i) Span of control for the managing director is 4

(ii) Levels in the hierarchy is 3

(c) Identify and explain two advantages to TPW of Tim's democratic management style. [4]

Relevant points might include: • Creates time to do other jobs as clerks/managers can perform some tasks • Less mistakes/better quality work as it would be difficult to oversee the different departments/help TPW remain successful • Retention of workers as clerks/managers feel part of decision making process • Better decision making possible as individual managers/clerks are able to contribute ideas • Better communication as managers/clerks know that they can ask questions • Improves manager/worker relationship. Note: benefits must be for business not employee

(d) Identify and explain two methods (other than time rate) that TPW could use to reward its employees. [6]

Relevant ways might include: • Bonuses for all workers office workers/clerks would want to work harder [app] to get extra money; • Commission to office team as would want to attract more clients [app] to get additional payment • Performance related pay as workers are paid in relation to how well they have done • Profit sharing as TPW believe in democratic management style so everyone to share equally in business success; • Fringe benefits (only once) such as company car for business managers as car acts as sign of status • Opportunities for promotion so clerks have chance to become managers

(e) Do you think that introducing new information technology in the office will help improve the profitability of TPW? Justify your answer. [6]

Relevant points might include: • High cost of installing technology which would increase fixed costs • Higher costs of training and maintenance for IT which could lower profit margin • Help provide a better service which could help attract more businesses • Quicker or more accurate work is possible as machines are less likely to make mistakes [an] in financial calculations • Help cut labour costs as technology could replace one (or more) of the three workers in the office • Risk of job losses could affect the motivation of employees so work is slower or not as accurate so someone has to check accounts which could cost more • More organised as able to find documents on line so able to complete work quicker

and consequences of UN peacekeeping Analysing statistics of state fragility and fatalities of violence it reveals that the UN has managed to save tens of thousands of lives with its peacekeeping a surprising statistic given the media consensus about the UN s powerlessness and inefficiency Using computer assisted discourse analysis of resolutions from the UN Security Council 1993 2019 the book offers data that describe the character and development of UN approach to the protection of civilians from violence It then links the data to the statistics of conflict fatalities and state fragility to reveal by means of qualitative and quantitative analysis when where how and why the UN has been successful at protecting civilians Two reasons for the UN s success are highlighted in the book as being statistically most significant First the organization offers local ownership to peaceful solutions by considering conflicting parties as the primary agents of protection Second the UN approach is much less power oriented than unilateral approaches by the great powers protection for the UN does not mean deterrence or destruction but rather support for local protectors of civilians However strong great power influence on such operations tends to weaken UN s ability to save lives This book will be of much interest to students of humanitarian intervention peacekeeping human rights and International Relations in general Chase's Calendar of Events 2014 Editors of Chase's Calendar of Events,2013-10-04 As featured on The Today Show 12 500 entries 196 countries 365 days Find out what s going on any day of the year anywhere across the globe If you re looking to tie a promotional event to a special month create a suggested reading list based on a literary birth anniversary travel to a music festival halfway around the world blog about a historical milestone or do a celebrity birthday round up on your radio show or Twitterfeed Chase s Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can t do without Chase s Calendar of Events 2014 brings you Major sporting events such as the Games of the XXII Winter Olympiad at Sochi Russia Feb 7 23 and the FIFA World Cup in Brazil June 12 July 13 Milestones such as the 450th birth anniversary of William Shakespeare the 200th anniversary of The Star Spangled Banner the 100th anniversaries of the beginning of World War I and the opening of the Panama Canal the 75th anniversary of the beginning of World War II the 50th anniversaries of the Civil Rights Act of 1964 and Beatlemania and much more New birthday entries for sports stars such as Mo Farah Mar 23 Ryan Lochte Aug 3 and Gabrielle Douglas Dec 31 actors such as Kerry Washington Jan 31 Lena Dunham May 13 and Mads Mikkelsen Nov 22 musical artists such as Carly Rae Jepsen Nov 21 and Psy Dec 31 and authors such as T a Obrecht Sept 30 and Ann Patchett Dec 2 and many others Special days such as National Ferret Day Apr 2 World Lindy Hop Day May 26 Extra Mile Day Nov 1 Lost and Found Day Dec 12 and more Search Chase s Any Way You Want Whether you want to target a specific date location or subject our fully searchable CD ROM PCand MAC compatible makes your research quick and easy Also included is a free installer so you can load Chase s directly to your hard drive **Annual Report ,1952** **Report on the Administration of the Minnesota Employment Security Law for the Calendar Year ...** Minnesota.
