INTRODUCTION

## THE MATHEMATICS

Curriculum Framework

This document is the second in a series of three documents that describe the Massachusetts Curriculum Frameworks for English Language Arts & Literacy, Mathematics, and Science and Technology/Special Sciences. It reflects the state's commitment to providing students with the skills and knowledge they need to succeed in college and career, and to become informed, involved, and engaged members of their communities. The framework emphasizes the development of mathematical habits of mind—habits that are critical for success in mathematics and in life.

Mathematics is a discipline that requires the development of skills, the acquisition of knowledge, and the application of concepts. Mathematics is a discipline that requires the development of skills, the acquisition of knowledge, and the application of concepts.
