

## An Accident

Last Monday I was going to my college on the Ring Road. The road was very busy because it was a rush hour. Suddenly I heard a loud noise. I looked around and found a bus moving towards the pavement. One of its tyres had burst. The driver lost control of the vehicle. The bus ran on the pavement, hit a car and a person. The car was badly damaged and the person was hurt. The bus driver was arrested and the bus was towed to a garage. The accident happened at about 10 o'clock in the morning. The police arrived at the scene and started an investigation. They found that the bus was overloaded and the driver was tired. They also found that the tyre was old and worn out. The police are now trying to find out why the tyre burst and why the driver lost control. They are also trying to find out if there were any other people who were in the bus at the time of the accident. The accident is a reminder that we should always be careful when we are driving and that we should always wear our seat belts. We should also make sure that our vehicles are in good condition and that we are not driving when we are tired or drunk. The accident is a tragedy and we should all learn from it.
