

## AT&T Reservationless Service

---

### *How do I use my AT&T Reservationless Conference Service:*

AT&T TeleConference Services Reservationless Conferencing provides users the ease of having a conference call anytime of the day or night without ever having to make a reservation! Reservationless Service is set up with 250 ports. If all 250 ports are being used, you will hear a message to try your call again later.

#### *User Instructions*

- When you are ready to make a conference call, just notify your participants of the dial-in number, participant access code, date and time of the conference call.
- If a participant calls in before you, he/she will hear music until you, the host, join the call.
- Dial into your Reservationless bridge telephone number; enter the access code followed by the # sign. The system may indicate that the host has not yet joined the call, if you are the host, please press the \* key. Enter a \* and you will be prompted to enter the host password followed by the # sign.
- For security measures, the conference call starts when the host joins the call and ends when the host leaves the call unless special features have been employed.
- This is not a guaranteed service. It is based on port availability.
