

Young offenders

10 of 10

the emergency services and the police are asked to respond to the "blue light" on "blue lights and sirens" emergency. The most common emergency is a car accident. These vehicles "blue lights" to respond to emergency situations and provide the emergency services with the necessary information to respond to the emergency. These vehicles are also used to respond to other types of emergencies, such as medical emergencies, natural disasters, and other types of emergencies. These vehicles are also used to respond to other types of emergencies, such as medical emergencies, natural disasters, and other types of emergencies.
