English Mechanic and Mirror of Science and Art ,1882 *Index of Current Hospital Literature* ,1950 New Zealand Engineering ,1959 *Hospital Literature Index* ,1988 The Political Economy of Corporation Tax John Snape,2011-12-09 Excellent technical writing on corporation tax abounds but it tends to be inaccessible to public lawyers political theorists and political economists Although recent years have seen not only an explosion in public law scholarship but also a reawakening of interest in interpretative political theory and political economy the potential of these perspectives to illuminate the corporation tax debate has remained unexplored In this important work John Snape seeks to reconcile these disparate strands of scholarship and to contribute to a new way of understanding and conceptualising the reform of the law relating to corporate taxation Drawing on important developments in public law scholarship the study combines elements of political theory and political economy It advances a new interpretation of corporation tax law as an instrument of rule through the maximisation of a nation s economic potential Snape shows how corporate taxation belongs at the centre of any discussion of economic globalisation not only because of the potential of national tax systems to influence inward investment decisions but also because of the potential of those decisions to shape the public interest that those tax systems might embody Following public law and politics models the book looks afresh at the impact of Britain s political institutions of the processes of its representative government and of the theory that moulds and orders the values that the corporation tax code contains This is a timely exploration of cutting edge issues of public policy Cumulative Index of Hospital Literature Library of the American Hospital Association, Asa S. Bacon Memorial,1985 **Applied Science & Technology Index** ,2000 **Cumulated Index Medicus** ,2000 Pharmaceutical Journal ,1951 **Journal** American Chemical Society,2002 Durban and Surrounding Area South Africa. Department of Posts and Telecommunications,1992 *The Chemist and Druggist* ,1911
