The Quest for the Raindrop of Life Excerpt

The sun blazed¹ in the sky above the **Barren**² as yet another scorching summer day. Shumped³ against a tree, the **young old**⁴ Kian flicked⁵ lazily through his favourite book. His **brown carts**⁶ flopped down over his **crystal blue eyes**⁷ and he blew them away with a half-hearted puff.

Kian⁸ had just finished reading the **Quest for the Raindrop of Life**⁹ when he looked up and saw a man carrying a load of grain and heading into the **Barren** land. It was **hot**¹⁰ that day and Kian could hardly wait to get his hands on some of the good **water**¹¹ that was flowing in the streams and waterfalls all around. He just knew that the **man**¹² through the long grass towards the **small village**¹³ would be carrying some delicious **fresh bread**¹⁴ and that was why Kian was so excited to see a **good man**¹⁵ come along. Kian was **so**¹⁶ excited to see a **good man**¹⁷ come along.

This book provides insights into the development toward narrative competence and illustrates multifaceted patterns in the developing capacity to create globally coherent narrative texts. The methodology draws from both a psycholinguistic approach to narrative development, systemic functional linguistics and writing pedagogy theory. This book extends previous studies on narrative writing development since it provides a multifaceted window into the progression of narrative development from elementary school through secondary school and university to life as a professional journalist and writer. It also shows how narrative writing development is related to the cognitive, emotional, psychological and social development of the individual.
