

A stylized illustration of a woman from the waist down. She is wearing a bright pink, flowing dress. Her right leg is bent at the knee, and her foot is resting on a white surface, possibly a chair or sofa. Her left leg is extended downwards. She is wearing pink high-heeled shoes. Her arms are outstretched to the sides, and her hands are resting on the same white surface.

Accidentally On Purpose English Edition:

Accidental David W. Peters,2023-11-07 How do we rebuild after causing accidental death or injury Accidental injury is the leading cause of death for Americans under the age of forty five From fatal traffic accidents to firearms injuries to casualties of war to a deadly virus passed to an elderly loved one accidental harm dates back almost as far as our human stories go When these accidents occur they pose profound and agonizing questions What do we do when a death falls somewhere between a murder and an insurance claim What if we are responsible for such harm Is healing even possible Rooted in research on moral injury religious rituals of confession and cleansing and psychology as well as the hard won wisdom of someone who has been there Accidental explores the complicated reality of accidental death and injury and offers companionship to those affected by these tragedies Author military veteran and Episcopal priest David W Peters walks with us through his own lonely journey after he unintentionally killed someone in a traffic accident and the journey of his family as his brother was killed by a bus Peters investigates the cars guns and systems that put some people and communities at more risk than others and then draws wisdom from ancient cities of refuge where accidental killers could find asylum Accidental helps readers accept responsibility see themselves in the stories of others be open to mystical experiences and find absolution and community We can begin the journey of accountability forgiveness and restoration by asking spiritual questions of grief penitence trauma and tragedy

An Accidental Family Fyodor Dostoyevsky,1994 Set in the 1870s a time of social disorder in Russia An Accidental Family is the story of Arkady Dolgoruky an awkward illegitimate twenty year old on a desperate search for his family This new translation of Dostoevsky s last completed novel fully captures the raciness and youthful vigor of the original text and expresses the innermost spiritual world of someone on the eve of manhood at that tumultuous time

The Accidental Developer Henry Pollack,2005 On the surface Henry Pollack s memoir is a helter skelter adventure that begins with a teenaged Jewish refugee fleeing the Nazi tsunami across war torn Poland on pushbike and ends with Pollack in Australia architect empire builder property development tycoon But Pollack s focus is less on his own breathtaking journey than on the fascinating worlds through which he passed and the hundreds of characters he met along the way Suddenly we are transported to multicultural Lodz or find ourselves crawling on our bellies with the Polish underground Then there s the mayhem of Shanghai and the civility of Hong Kong alongside the rough waterside workers of the Australian docks In his late thirties creatively stifled and inspired by Europe s post war reconstruction Pollack turned to architecture His first commission was in 1964 his first development in 1966 and amidst stoushes with the Builders labourers Federation his Mirvac Company quickly grew into an empire back cover
