These Are Our Bodies, Middle School Leader Guide Jenny Beaumont, Abbi Long, 2016-08 Our inherent value and worth comes from God's love for us, but our modern world is filled with sexual expression that too often leads us away from the life of Christ. As Christians seeking to live a life worthy of our calling and desiring to pass along these values to our children and youth, this book explores how we as parents and adults can explore issues of sexuality in the context of our faith. A sexuality education resource from a mainline progressive denominational perspective aids the adult reader, teacher, parent in learning and using skills that enable them to embrace and affirm the wholeness of sexuality and to talk openly and honestly about the connection of sexuality and faith. This book grounded from a theological perspective focuses on foundational issues for addressing how we and why we are called to have these conversations in a faithful community to support families. The importance of looking at one's sexuality throughout the lifespan through the lenses of decision making, faith and daily life, respect, growth and change, behavior, responsibility, values, prayer and intentionality is explored, offering a grounding as well as a stand alone resource for individuals and churches to build upon.

The Final FRCA Short Answer Questions Elizabeth Combeer, 2018-10-03 This guide to the short answer question section of the final FRCA not only comprehensively covers the subject matter of the exam with past paper examples, it also guides trainees on the most effective manner in which to approach the questions.
