Accounting Comprehensive Problem For Part Two:

Accounting Principles Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2010-12-20 Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

EBOOK: Corporate Finance Foundations -

Global edition Stanley Block, Geoffrey Hirt, Bartley Daniels, 2014-03-16 This Global Edition has been developed specifically to meet the needs of international finance students. It continues to offer substantial coverage of the recession and liquidity crisis that engulfed the global economies in the last few years and pays special attention to the banking sector and the critical need for funding that most businesses face. The emphasis on analytical approaches to international financial problems is intended to make the content more relevant and improve learning outcomes for the international student. Corporate Finance Foundations' thorough treatment of concepts and application combines with a complete digital solution to help your students achieve higher outcomes in the course.
