Navien reserves the right to change specifications at any time without prior notice.
Please refer to www.navieninc.com to verify you have the most current information.

¹Combil refers to a combination potable water and space heating application. Water heaters cannot be used in space heating only applications.

²Uncontrolled Recirculation: External pump configured to circulate continuously through the water heater are subject to the uncontrolled recirculation warranty terms. An aquastat is the minimum pump control requirement for DHW or storage tank recirculation in order to maintain the full controlled recirculation warranty.

For complete details please refer to the full warranty at www.navieninc.com.
