[Photographer's Guide to the Panasonic Lumix DMC-LX10/LX15](#) Alexander S. White, 2017-06-16 Photographer's Guide to the Panasonic Lumix DMC LX10 LX15 is a complete guide to the use of the Panasonic Lumix DMC LX10 camera which is known as the LX15 in areas outside of the United States. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the LX10. The book explains the use of autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, and many other settings. The book discusses the camera's options for playback setup and customizing the operation of its controls. The book contains more than 450 color photographs showing the camera's controls, display screens, and menus. The book includes photographs taken using the many creative settings of the camera, including the Photo Style settings, the Creative Control mode, picture effects, which provide the ability to customize the appearance of images in dramatic ways, and the camera's features for burst shooting and shooting in high contrast lighting conditions. The book includes a full discussion of the video recording abilities of the LX10 camera, which offers manual control of exposure and focus during movie recording and provides ultra high definition 4K recording of motion pictures. The book also explains the camera's features for extracting still images from 4K video and using the Post Focus feature to select a sharply focused image after a shooting session. In three appendices, the book discusses accessories for the LX10, including cases, power supply options, filter adapters, and other items, and includes a list of websites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible.

**Photographer's Guide to the Panasonic Lumix LX5** Alexander S. White,2010-11 **Photographer's Guide to the Panasonic Lumix LX5** Getting the Most from Panasonic's Advanced Digital Camera is the third book in a series by Alexander S White His previous guides to the Leica D Lux 4 and Panasonic Lumix LX3 were extremely well received by enthusiasts searching for comprehensive books that explain the features and operation of some of the most sophisticated compact digital cameras being sold today The current book is a detailed resource illustrated by more than 150 color photographs that covers all operations menus and controls of the Panasonic Lumix LX5 the newest in a line of highly sophisticated yet very portable cameras that are equipped with full manual controls as well as advanced digital technology The book provides detailed guidance to beginning intermediate and more experienced photographers in plain English The photographs illustrate the camera's menus and controls and provide examples of many of the camera's shooting modes and special effects For those who find the documentation provided by the camera's manufacturer to be hard to read and difficult to understand this book fills an information gap and serves as a single source of information to let the photographer derive the maximum benefit from his or her Panasonic Lumix LX5 camera

**Photographer's Guide to the Leica D-Lux 5** Alexander S. White,2010-12-12 **Photographer's Guide to the Leica D Lux 5** is a follow up to the author's earlier guides to the Leica D Lux 4 Panasonic Lumix LX3 and Panasonic Lumix LX5 digital cameras The new book like the earlier ones explains all operations features menus and controls of the camera in clear language providing guidance not only about how to accomplish things with the camera but when and why to use certain features The book does not assume any specialized knowledge by the reader but adopts a patient and helpful tone in explaining topics such as autofocus manual focus aperture priority shutter priority macro photography and RAW files Besides providing guidance about all basic operations of the camera the book includes introductions to advanced topics including astrophotography infrared photography street photography and creating 3D images The book is illustrated with more than 150 color photographs and includes a full table of contents and index
