**Town Romcom** Sophie-Leigh Robbins, When a thriller writer without any outdoors experience signs up for my wilderness retreat someone's bound to get lost and it might just be me Knox As Maplewood Springs hiking guide I've seen it all city folks who think granola bars count as dinner influencers who want to pose with bears and that one guy who brought a hair dryer to look his best after summiting Mount Hartley But this week's Spirit of the Wild wilderness retreat might just be the thing that breaks me I don't know what's worse The retreat's ridiculous name or the fact that thriller novelist Peyton Reed shows up with enough bug spray to fumigate a small country and thinks a compass is just a fancy paperweight She's stubborn scared and completely out of her element And the one person I can't stop thinking about is her I need this gig to pay for Grandma's medical care What I don't need is discovering that the real risk of navigating these mountains is nothing compared to what she does to my heart Wild About the Mountain Guide is a sweet romcom set in the small town of Maplewood Springs Montana featuring a gruff mountain guide and the thriller author he falls for This novella is the perfect lighthearted romance and can be read in a couple of hours It has no explicit content but does have all the chemistry and humor you're looking for in a closed door romcom Perfect if you love Small towns with heart Funny banter and slow burn romances Outdoorsy adventures and fresh mountain air Fish out of water trope opposites attract trope Rugged mountain men with hearts of gold Lots of feel good humor sizzling chemistry and a guaranteed swoony closed door HEA *The Early Alpine Guides* Ronald William Clark, 1950
