Principles of Economics Asia-Pacific Edition with Online Study Tools 12 Months Joshua Gans, Robin Stonecash, Martin Byford, Gregory Mankiw, Stephen King, Ph.D., Jan Libich, 2017-10-26 Principles of Economics 7th edition combines microeconomics and macroeconomics into one volume for students who take a full year's course. The latest edition of this text continues to focus on important concepts and analyses necessary for students in an introductory economics course. In keeping with the authors' philosophy of showing students the power of economic tools and the importance of economic ideas, this edition pays careful attention to regional and global policies and economic issues such as climate change and resource taxation, the impacts of the ongoing global financial crisis, inflation, unemployment, interest rates, monetary and fiscal policy.

The Big Picture Karen Kearns, 2016-08-17 *The Big Picture* 4e is written to support training delivery in CHC30113 Certificate III in Early Childhood Education and Care. It provides students with a practical introduction to working in a children's service environment whilst helping to bridge the gap between theory and best practice. It is designed to address the relevant units of competency in a holistic and integrated way while covering the skills and knowledge students need to be deemed competent in this qualification.

The Canadian Writer's Workplace, 9th Edition Gary Lipschutz, Sandra Scarry, John Scarry, 2020-02-13 *The Canadian Writer's Workplace* Ninth Canadian Edition is an easy to use solution that aims to inspire and guide students on the road to achieving clarity in their writing. With this product students develop paragraph and essay writing skills that are crucial for success in their post secondary career and beyond. This is a three in one solution that includes a review of basic grammar and sentence skills, covers writing steps and strategies, and ends with a selection of readings. Available in a printed text format and as an ebook within MindTap our online learning platform everything your students need to build confidence in their written communication skills is between two covers.

For Students' Sake! Carmen R. Allen, 2020-01-07 *For Students' Sake* Bold Solutions for the College Retention Crisis By Carmen R. Allen College students face numerous obstacles before they step into the classroom and then again when their academic careers begin. As such, the decline of student retention and success threatens the health of universities across the nation. Universities are challenged by declining enrollments, reduced financial resources, and an increased demand for accountability. Additionally, these institutions face pressures to compete internationally as they struggle to meet the demands of an ever advancing technological age. Now more than ever, college students make critical decisions about their classes based upon interactions with faculty and their own learning expectations which are evolving as quickly as the technologies they use. Born out of experimental education tactics, *For Students' Sake* Bold Solutions for the College Retention Crisis explores the strategies and results of personalized learning. After 22 years of teaching college students, Carmen R. Allen realized that a large number of her students were failing, dropping the course, or simply disappearing. Her passion for student success pushed her to learn more about how to meet student needs including early intervention tactics and personalized communication approaches in
