Apostles Creed Children Lesson:

Religious instruction, lessons for young children, by the author of 'Lessons on objects'. Elizabeth Mayo, 1845

Faith and Duty Judith F. Smith, 1920 **A Course of Sunday School Lessons on the Children's Charter** George Leyburn Richardson, 1910 **Faith and Duty** Judith F. Smith, 2017-09-15 Excerpt from Faith and Duty A Course of Lessons on the Apostles Creed and the Ten Commandments for Children of Eight to Ten Years But if the child memorises the Catechism answers as statements having first thoroughly grasped their meaning and expressed it in his own words he can afterwards be required to fit them to the questions if necessary in which case they will be real answers An attempt of this kind has been made in the following lessons the answers in the first five chapters of the Catechism being used as Memory Work throughout the scheme with the exception of a few which are either too difficult for children of this age or too simple to require an illustrative lesson But it is Obvious that if the lessons follow a connected course some of the Catechism answers must be taken out of their order this however rather helps our plan than otherwise for we want the answers to express real knowledge and not to be merely a chain of words Further several answers are frequently thrown into one statement This Memory Work can be omitted without any detriment to the Course but where it is used it is suggested that review lessons should be held at intervals in which the book questions are asked and the class required to supply the answers from their store of memory work It will be a great intellectual joy to the child to find himself ready equipped with the answers For the convenience of teachers the Catechism answers appended to each lesson are numbered in the index About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
