The Farmette Cookbook Imen McDonnell, 2016-03-08 To many Imen McDonnell's life reads as a modern fairytale. Happily going about her business as a young American woman embarking upon a successful career in broadcast production she was introduced to a dashing Irish farmer and fell instantly in love. In short order Imen found herself leaving behind her work her country and her family and friends to start a life from scratch on a centuries old family dairy farm in County Limerick. The Farmette Cookbook is more than just a cookbook it's a chronicle of Imen's journey embracing her new identity as a farmer's wife discovering new tastes feeding her family and finding her way around the Irish kitchen where traditional cooking trumps quick and convenient. Here Imen shares her tried and true classic Irish recipes infused with a contemporary American twist from her Best Brown Bread Fish n Chip Pie and Richard's Proper Irish Coffee to Farmhouse Buttermilk Beignets Hot Smoked Burren Salmon Tacos and an Irish Hedgerow Shandy. Highlighting farmhouse skills such as butter and cheese making and the use of local wholesome ingredients Imen invites us into her kitchen and her world through stories and recipes for a taste of the Irish countryside.

Make Your Own Cider Techniques For Fermenting And Flavoring Your Cider To Make It Delicious Jideon F Marques, 2024-04-09 This book and our love affair with apples and cider started in 1998 the year we moved onto our smallholding and watched the dormant centenarian apple trees introduce themselves. First came the pink swelling blossom buds next the riot of white

blossoms resplendent and humming with pollinators then green leaves offering cool summer shade as the small fruits grew into the apples We soon identified most of them a Rome variety of some sort something like a Granny Smith a Golden Delicious a Cox s Orange Pippin a few towering Gravensteins and one that was grafted to both Gravenstein and Red Delicious We were overwhelmed by the quantity boxes and baskets of apples were stacked along the wall in our small kitchen Apples seemed to tumble every which way as we tried to make them into sauce dried rings steamed juice pies crisps and dumplings By the next year we had a cider press and a few years later we were captivated by cider Surrounded by vineyards we thought we would be the first cider house in our area As it turned out sauerkraut got in the way but that is another story Eager to learn as much as we could about growing apples for cider we visited Nick Botner described both as a hobby orchardist and a serious world renowned botanical collector at his farm in Yoncalla Oregon 2 hours north of our farm We arrived three of our four children in tow one early November day nearly 15 years ago Come into my farmhouse we ll talk Nick said as he invited the five of us in His wife Carla sat us down to coffee and applesauce A good cider apple contributes to one or more of four components color flavor body or bouquet What kind of apples do you recommend for hard cider Christopher ventured We were sitting there gazing at him like initiates around a sage waiting for the meaning of life Or at least the meaning of apples There are a lot of great apples for cider Nick said and we both stared pen in hand waiting to scribble down the varieties that we d never heard of yet hoped to plant He told us a good cider apple contributes to one or more of four components color flavor body or bouquet He didn t drop any variety names though Do you have the Redstreak Christopher asked hopefully During the eighteenth century this apple was believed to be the finest cider apple in England At the time cider made from the Redstreak commanded the highest prices Its popularity had diminished by the end of the century and it s believed that viruses may have killed the remaining trees Now the apple is rare even thought to be extinct as breeders are unsure if the claimed Redstreaks are indeed the Redstreaks Personal Computing ,1985-10 All the Year Round ,1890 MacTech Magazine ,1995 All the Year Round Charles Dickens,1890 American Directory of Writer's Guidelines ,2007-02
