Good luck Baskar Sundaram.

An APMP Primer Robin Kay, 2009-11-27 For the very first time you can buy a single book covering the entire syllabus for the APMP examination written at a level of detail required to pass the exam. The book can be used for independent study or to supplement a training course or simply read as a basic textbook on the fundamentals of project management. The author has drawn upon his considerable experience not just as a project manager but as someone who has delivered scores of training courses and written courses for several commercial course providers. This volume has now been enhanced by the addition of 44 examples of exam type questions all with fully worked answers.
