## Functions of the Skeletal System

The diagram illustrates a template for a report on the Skeletal System. It is organized into a grid with three rows and five columns. The first row contains five boxes labeled 'Functions'. The second row contains five boxes labeled 'Details'. The third row contains five boxes labeled 'My Drawing'. Each box in the first row is connected to a box in the second row, which is in turn connected to a box in the third row, suggesting a flow of information from functions to details to a drawing.
