Teaching

English in Middle and Secondary Schools Rhoda J. Maxwell, Mary Jordan Meiser, 2001 For courses in Secondary English Methods This text offers a comprehensive and up to date view of teaching secondary English based on sound research and classroom practice. The third edition reaffirms the value of a holistic integrated approach to teaching English language arts. While separating the language arts into separate chapters the strands are reconnected in every chapter. A separate chapter is devoted to grammar giving this component focused attention. Materials and instructional strategies for students with increased diversity and needs are offered in greater detail. Problem solving skills and reflective applications integrated into
