Be Lifted Up:

If I Be Lifted Up Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book *Atonement and Personality* begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword *A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. [By Clement Cotton.]*, 1627 **Discourses and Sayings of Our Lord Jesus Christ** John Brown, 1858 *Sermons on the Passages of the Psalms* John Mason Neale, 1871 John Verse by Verse Grant R. Osborne, 2018-05-02 John is at once the most complex and the easiest to understand of all the Gospels If we want a young seeker or new believer to read something that is both clear and filled with the gospel and good basic theology we give them the Gospel of John And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind we open the Gospel of John It is the most evangelistic account of Jesus life and ministry and it also gives the mature Christian deep theological truths to chew on In John Verse by Verse respected New Testament scholar Grant R Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel He writes If I were teaching a course in college or seminary on creative writing John s Gospel would be set alongside Shakespeare as models of brilliant characterization and plot It is perhaps Osborne s favorite book of the Bible and enthusiasm for it shines on every page The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture **Bibliotheca sacra**, 1873 Let the Legends Preach Jared E. Alcántara, 2021-04-01 Let the Legends Preach celebrates the past and current legends of black preaching through preserving the sermons that they preached at the Annual E K Bailey Expository Preaching Conference The twenty four preachers honored in this book received the Living Legend Award for Excellence in Preaching on account of ministries that impacted hundreds of thousands of people across the nation and around the world Not only does this book lift up preachers that are familiar to so many names belonging to the great cloud of witnesses in black preaching over the last fifty years but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed

by the sermon that they preached or the lecture that they delivered at the annual conference **Commentary on the Gospel of st. John, tr. by F. Crombie and M.D. Cusin** Frédéric Louis Godet,1877 Spiritual Studies in St. John's Gospel ... Arthur Ritchie,1888 **Patents for inventions.
