## **16th Edition Merck Manual:**

Man Cannot Live on Vitamins Alone Ph. D. Vic Shayne, 2002-07-24 Are corporate scientists and the supplement industry fooling us Big business politics and chemical manufacturers influence the course of health care even so called natural health care more than most of us realize Instead of understanding and appreciating natural foods and environmental health we have been confused and misled to believe that scientists can improve on Nature without creating a dangerous chain reaction of side effects and toxicity If you take vitamin supplements Man Cannot Live on Vitamins Alone by Dr Vic Shayne is a wake up call that can save you and your family s health This critically important easy to read book scientifically proves that vitamins and other nutrients are nutritious only when still contained in their original foods Supplements are either natural or they are not and there s nothing natural about a vitamin that has been extracted from a food or made in a laboratory This book shows you how to tell the difference between real nutrition and foods that have been altered by science **Federal Register**
