

Arthur Miller's *The Crucible* Act I Reading Guide

Name: _____

Period: _____

Directions: Referring to the Act I script, respond to the following questions in a dated notebook entry as directed.

1. Offer an adjective that accurately describes Abigail Williams, and then offers a specific reference to the play (her words, behavior, or other characters' remarks about her) to support your description.

Adjective to Describe Abby	Specific Example from Act I that Demonstrates this Quality
Insane	She tried to set a spell on Proctor's wife so she can be able to be with him

2. According to Abigail, what is the cause of Betty's poor health? When the Uncle jumped out it scared and shocked her.

3. In your opinion, how trustworthy is Abigail's opinion? Explain your response by offering specifics from the text. She is not very trustworthy because she has wrong reasons to do what she does and she has been lying about the situation.

4. What is Rev. Parris' main concern as the villagers discuss the possibility of witchcraft being practiced in his village? His reputation is being hurt by this situation

5. Describe what happened in the woods before the play's start, offering specific details from the script. The villagers thought it was the devil's home.

6. A) Why does Parris believe his niece Abigail was dismissed from her employment in the Proctor household before the play's start? B) What evidence does he offer to support his suspicion? Abby said she refused to work anymore and also she had an affair with Proctor

7. Describe the current state of Betty Parris and Ruth Putnam, the two "afflicted" girls. Betty is not sick she is just a little scared girl and when Abigail was saying alone with Mr. Proctor she didn't want to hear

The Life and Times of a Cold War Serviceman Maurice F. Mercure, 2012-11 This book may be dry in parts but it is exactly how a serviceman s life unfolds It may seem strange to some people that your day to day existence

daily life is dictated by pieces of paper It is not like a civilian that does not have a rigid routine with military precision In one sense it gives you a feeling of security knowing what is laid out for you On the other hand it gives you the feeling that someone else is pulling the strings for you to act As you retain copies of all these orders paperwork for your personal files you have a running chronological history of your life It covers all aspects the good the bad and the ugly It may be hard for a civilian nonmilitary person who has not had any exposure to military life to understand all the paperwork in this book While reading this book take a moment to see how different a serviceman s life is compared to a civilian s
