Gregory, 2016-02-11 Flip the Switch How to Get Students Into Learning Mode Now In his well known meta analysis John Hattie suggests that facilitating learning is not as effective or powerful as activating learning In this book Gayle Gregory shows you how to facilitate better and deeper learning Packed with practical strategies that teachers can use every day to increase student achievement you will also discover what educational neuroscience says about nurturing a growth mindset and creating classrooms that support and encourage students to take risks and fail forward Learn how to Foster student dialogue and thinking Orchestrate productive reflective flexible student groups Develop respectful learning relationships between and among students and teachers Teacher competencies and clarity related to student goals and success criteria with quality feedback are essential for student success This resource will enrich learning environments for students and increase the chance of success for all In going from teachers as fount of knowledge to teacher as facilitator the field has overcorrected Gayle Gregory corrects all that with a comprehensive and deep portrayal of the need for teachers to be activators of learning in partnership with students Based on equal measure of research and practice Gregory gives is a compelling set of ideas and tools to maximize student learning and engagement Read it and hit the ground running Michael Fullan Professor Emeritus OISE University of Toronto An Eye for an Eye Iron Crown Enterprises Staff, *Longman*

*Language Activator* Della Summers, 1993 Presents linguistic as well as lexical information **The Stressed Years of Their Lives** B. Janet Hibbs, Anthony Rostain, 2019-04-23 From two leading child and adolescent mental health experts comes a guide for the parents of every college and college bound student who want to know what s normal mental health and behavior what s not and how to intervene before it s too late The title says it all Chock full of practical tools resources and the wisdom that comes with years of experience The Stressed Years of their Lives is destined to become a well thumbbed handbook to help families cope with this modern age of anxiety Brigid Schulte Pulitzer Prize winning journalist author of *Overwhelmed* and director of the Better Life Lab at New America All parenting is in preparation for letting go However the paradox of parenting is that the more we learn about late adolescent development and risk the more frightened we become

for our children and the more we want to stay involved in their lives This becomes particularly necessary and also particularly challenging in mid to late adolescence the years just before and after students head off to college These years coincide with the emergence of many mood disorders and other mental health issues When family psychologist Dr B Janet Hibbs s own son came home from college mired in a dangerous depressive spiral she turned to Dr Anthony Rostain Dr Rostain has a secret superpower he understands the arcane rules governing privacy and parental involvement in students mental health care on college campuses the same rules that sometimes hold parents back from getting good care for their kids Now these two doctors have combined their expertise to corral the crucial emotional skills and lessons that every parent and student can learn for a successful launch from home to college **ID** ,2003 *Brandweek* ,2008 **Thomson**
