

A close-up photograph of a BMW car's interior climate control system. The image shows a black plastic panel with two large air vents at the top, each with a horizontal slider. Below the vents are two vertical rotary dials for temperature control, marked with '1' and '0'. To the right of these dials is a small digital display showing '20.0'. Below the display are two small buttons, one blue and one red. At the bottom of the panel are two large rotary knobs for fan speed and air distribution, each with a red and blue ring. The background is dark and out of focus.
