**One More River to Cross**

Nigel I. Malcolm,2008 In One More River to Cross Professor Nigel I Malcolm argues that the rhetoric of W E B Du Bois contributed to a sense of individual and group failure among African Americans Du Bois also created a need to explain the reasons for the failure of the group as well as that of individuals within the group specifically those within a segment of the black population deemed the talented tenth Professor Malcolm s work explores not only the root causes of this sense of failure among Blacks but also the way in which some members of the talented tenth seek to cope with failure Critiquing the writings of Derrick Bell Randall Robinson and Shelby Steele Professor Malcolm reveals the ways in which these authors explain the choice of an individual or a society between consolation and or compensation for perceived failures among Blacks He argues that whether an author emphasizes the past or the present the spiritual or the material the self or the society the inevitable result is a powerful rhetoric with implications for the future of race relations as well as advancement among Blacks in America The discussion of rhetoric is tied into the failure of the post civil rights era and to W E B Du Bois s earlier discussions of the talented tenth and its role among Blacks

**The Envy of the World** Ellis Cose,2002-02-01 With a compassionate eloquence reminiscent of James Baldwin s Letter to My Nephew Ellis Cose presents a realistic examination of the challenges facing black men in modern America Black men have never had more opportunity for success than today yet as bestselling author Cose puts it We are watching the largest group of black males in history stumbling through life with a ball and chain Add to that the ravages of police brutality murder poverty illiteracy and the widening gap separating the black elite from the underclass and the result is a paralyzing pessimism But even as Cose acknowledges the systemic obstacles that confront black men he refuses to accept them as reasons for giving up instead he rails against the destructive attitude that has made academic achievement a source of shame instead of pride in many black communities and outlines steps black males can take to enhance their odds for success With insightful anecdotes about a broad range of black men from all walks of life Cose delivers a warning of the vast tragedy that is wasted black potential and a call to arms that can enable black men to reclaim their destiny in America

*Newsweek* ,2002    *The New Crisis* ,2002    **Judaism, Race, and Ethics** Jonathan K. Crane,2020-06-29

Recent political and social developments in the United States reveal a deep misunderstanding of race and religion From the highest echelons of power to the most obscure corners of society color and conviction are continually twisted often deliberately for nefarious reasons or misconstrued to stymie meaningful conversation This timely book wrestles with the contentious dynamic and ethically complicated relationship between race and religion through the lens of Judaism Featuring

essays by lifelong participants in discussions about race religion and society including Susannah Heschel Sander L Gilman and George Yancy this vibrant book aims to generate a compelling conversation vitally relevant to both the academy and the community Starting from the premise that understanding prejudice and oppression requires multifaceted critical reflection and a willingness to acknowledge one's own bias the contributors to this volume present surprising arguments that disentangle fictions fictions and facts The topics they explore include the role of Jews and Jewish ethics in the civil rights movement race and the construction of American Jewish identity rituals of commemoration celebrating Jewish and black American resilience the Yiddish gaze on lynchings of black bodies and the portrayal of racism as a mental illness from nineteenth century Vienna to twenty first century Charlottesville Each essay is linked to a classic Jewish source and accompanied by guiding questions that help the reader identify salient themes connecting ancient and contemporary concerns In addition to the editor the contributors include Sander L Gilman Annalise E Glauz Todrank Aaron S Gross Susannah Heschel Sarah Imhoff Willa M Johnson Judith W Kay Jessica Kirzane Nichole René Phillips and George Yancy

City Limits ,2002    Kliatt Young Adult Paperback Book Guide ,2003    Racechanges Susan Gubar,2000-04-20 When the actor Ted Danson appeared in blackface at a 1993 Friars Club roast he ignited a firestorm of protest that landed him on the front pages of the newspapers rebuked by everyone from talk show host Montel Williams to New York City's then mayor David Dinkins Danson's use of blackface was shocking but was the furious pitch of the response a triumphant indication of how far society has progressed since the days when blackface performers were the toast of vaudeville or was it also an uncomfortable reminder of how deep the chasm still is separating black and white America In Racechanges White Skin Black Face in American Culture Susan Gubar who fundamentally changed the way we think about women's literature as co author of the acclaimed The Madwoman in the Attic turns her attention to the incendiary issue of race Through a far reaching exploration of the long overlooked legacy of minstrelsy cross racial impersonations or racechanges throughout modern American film fiction poetry painting photography and journalism she documents the indebtedness of mainstream artists to African American culture and explores the deeply conflicted psychology of white guilt The fascinating racechanges Gubar discusses include whites posing as blacks and blacks passing for white blackface on white actors in The Jazz Singer Birth of a Nation and other movies as well as on the faces of black stage entertainers African American deployment of racechange imagery during the Harlem Renaissance including the poetry of Anne Spencer the black and white prints of Richard Bruce Nugent and the early work of Zora Neale Hurston white poets and novelists from Vachel Lindsay and Gertrude Stein to John Berryman and William Faulkner writing as if they were black white artists and writers fascinated by hypersexualized stereotypes of black men and nightmares and visions of the racechanged baby Gubar shows that unlike African Americans who often are forced to adopt white masks to gain their rights white people have chosen racial masquerades which range from mockery and mimicry to an evolving emphasis on inter racial mutuality and mutability Drawing on a stunning array of

illustrations including paintings film stills computer graphics and even magazine morphings Racechanges sheds new light on the persistent pervasiveness of racism and exciting aesthetic possibilities for lessening the distance between blacks and whites    **MultiCultural Review** ,2002    **Subject Guide to Books in Print** ,2001
