of the 20th century was fundamentally and irrevocably altered by the birth and subsequent development of air power This  
work assesses the role of air power in changing the face of battle on land and sea Utilizing late 1990s research the author  
demonstrates that the phenomenon of air power was both a cause and a crucial accelerating factor contributing to the theory  
and practice of total war For instance the expansion of warfare to the homefront was a direct result of bombing and  
indirectly due to the extent of national economic mobilization required to support first rate air power status In addition the  
move away from the principle of total war with the onset of the Cold War and the replacement of air power by ICBMs is  
thoroughly examined This work should provide students of international history war studies defence and strategic studies  
with an insight into 20th century warfare    Textbook of Military Aeronautics Henry Woodhouse,1918    *Journal of the*

Lincke,1970    **Aces High** Bill Yenne,2009-02-03 Capturing the hearts of a beleaguered nation the fighter pilots of World  
War II engaged in a kind of battle that became the stuff of legend They cut through the sky in their P 38s to go one on one  
against the enemy and those who survived the deadly showdowns with enough courage and skill earned the right to be called  
aces But two men in particular rose to become something more They became icons of aerial combat in a heroic rivalry that  
inspired a weary nation to fight on Richard Dick Bong was the bashful pink faced farm boy from the Midwest Thomas Tommy  
McGuire was the wise cracking fast talking kid from New Jersey What they shared was an unparalleled gallantry under fire  
which won them both the Medal of Honor and remains the subject of hushed and reverent conversation wherever aerial  
warfare is admired What they had between them was a closely watched rivalry to see who would emerge as the top scoring  
American ace of the war What they left behind is a legacy of pride we will never forget and a record of aerial victories that  
has yet to be surpassed anywhere in the world    **Host Bibliographic Record for Boundwith Item Barcode**
