*Introduction to Qualitative Research Methods in Psychology* Dennis Howitt, 2019-02-27 Now in its 4th Edition

Introduction to Qualitative Research Methods in Psychology by Dennis Howitt provides a comprehensive practical and up to date coverage of the area. With a clear and straightforward style the book introduces qualitative research from data collection to analysis. Examples of real research and practical guidance for each methodological approach are included throughout to equip the reader with an understanding of the process and the skills to be able to carry out their own research. There are also dedicated sections on ethics, quality and report writing. All of this is achieved while providing a thorough theoretical and historical context for the qualitative methods. The full text is downloaded to your computer. With eBooks you can search for key concepts, words and phrases, make highlights and notes as you study, share your notes with friends. eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps. Upon purchase you'll gain instant access to this eBook. Time limit: The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed.

ECEL 2016 - Proceedings of the 15th European Conference on e-Learning, Proceedings of the 15th European Conference on e-Learning ECEL 2016    Assessment of Learning Outcomes in Higher Education Olga

Zlatkin-Troitschanskaia, Miriam Toepper, Hans Anand Pant, Corinna Lautenbach, Christiane Kuhn, 2018-03-22 This book offers a comprehensive overview of current innovative approaches to assessing generic and domain specific learning outcomes in higher education at both national and international levels. It discusses the most significant initiatives over the past decade to develop objective, valid and reliable assessment tools and presents state of the art procedures to adapt and validate them for use in other countries. The authors highlight key conceptual and methodological challenges connected with intra-national and cross-national assessment of learning outcomes in higher education, introduce novel approaches to improving assessment, evaluation, testing and measurement practices and offer exemplary implementation frameworks. Further they examine the results of and lessons learned from various recent world renowned research programs and feasibility studies and present results from their own studies to provide new insights into how to draw valid conclusions about learning outcomes achieved in various contexts.    Assessing Student Learning Outcomes in Higher Education Hamish Coates, Olga

Zlatkin-Troitschanskaia, Hans Anand Pant, 2018-12-07 This book examines important advances and offers a realistic image of the state of the art in student learning outcomes assessment in higher education, a field close to the core of nearly every higher education institution. Producing sound information on what students know and can do is critical to higher education practitioners and future social prosperity. Spanning international, national and institutional developments, the book presents methodological and empirical insights, highlights research challenges and showcases the enormous progress made in recent years. The book will be of interest to researchers in education assessment and neighbouring fields and stakeholders like

institutional leaders teachers and graduate employers looking for better insight on returns governments searching for information to assist with funding and regulation and members of the public wanting more clarity about outcomes and public investment This book was originally published as a special issue of Assessment Evaluation in Higher Education
