## **Account Payable Rebate Configuration Guide:**

**New Payment World** Mary S. Schaeffer, 2007-09-17 Praise for New Payment World A Manager's Guide to Creating an Efficient Payment Process This book is for every accounts payable manager as well as for those above them in the chain of command I found New Payment World to be very thought provoking I believe that it can help you to evaluate what you are doing right or wrong and help you to determine where changes might benefit your organization Marie J Misterka Vice President BNP Paribas Mary Schaeffer has written the definitive work on the whole range of corporate payment processes From the challenges presented when managing check payments through the how to's for setting up e payments Mary addresses each of their benefits and their potential pitfalls This is a must read book for every accounts payable professional Bob Rayca Vice President InterplX Technologies Mary Schaeffer has done an outstanding job of putting together a concise comprehensive and well organized guide to getting a handle on and planning for the future of the payment function She identifies the problems investigates and provides an in depth analysis of the tools available and makes recommendations on what to do to create an efficient and effective payment process Kevin M Moonan COO and Managing Partner Pinpoint Profit Recovery Services Inc The payment process for your organization may not be very different today than it was five or ten years ago But here's a guarantee it will be enormously different and much more cost effective five or ten years from now Don't get left behind New Payment World A Manager's Guide to Creating an Efficient Payment Process can get your organization up to speed to be part of the payment revolution that has already started [The Master Guide to Controllers' Best Practices](#)

Elaine Stattler, Joyce Anne Grabel, 2020-07-08 The essential guide for today's savvy controllers Today's controllers are in leadership roles that put them in the unique position to see across all aspects of the operations they support The Master Guide to Controllers Best Practices Second Edition has been revised and updated to provide controllers with the information they need to successfully monitor their organizations internal control environments and offer direction and consultation on internal control issues In addition the authors include guidance to help controllers carry out their responsibilities to ensure that all financial accounts are reviewed for reasonableness and are reconciled to supporting transactions as well as performing asset verification Comprehensive in scope the book contains the best practices for controllers and Reveals how to set the right tone within an organization and foster an ethical climate Includes information on risk management internal controls and fraud prevention Highlights the IT security controls with the key components of successful governance Examines the crucial role of the controller in corporate compliance and much more The Master Guide to Controllers Best Practices should be on the bookshelf of every controller who wants to ensure the well being of their organization In addition to their traditional financial role today's controllers no matter how large or small their organization are increasingly occupying top leadership positions The revised and updated Second Edition of The Master Guide to Controllers Best Practices provides an essential resource for becoming better skilled in such areas as strategic planning budgeting risk

management and business intelligence Drawing on the most recent research on the topic informative case studies and tips from finance professionals the book highlights the most important challenges controllers will face Written for both new and seasoned controllers the Guide offers a wide range of effective tools that can be used to improve the skills of strategic planning budgeting forecasting and risk management The book also contains a resource for selecting the right employees who have the technical knowledge analytical expertise and strong people skills that will support the controller s role within an organization To advance overall corporate performance the authors reveal how to successfully align strategy risk management and performance management In addition the Guide explains what it takes to stay ahead of emerging issues such as healthcare regulations revenue recognition globalization and workforce mobility As controllers adapt to their new leadership roles and assume more complex responsibilities The Master Guide to Controllers Best Practices offers an authoritative guide to the tools practices and ideas controllers need to excel in their profession
