*Essentials of Health Care Organization Finance* Dennis D. Pointer, Dennis M. Stillman, 2004-09-24 Finally The book that all health care board members needed but were afraid to ask for. Those dark days of staring at incomprehensible numbers during board meetings of nervous nodding when their financially literate brethren make comments or ask questions of voting on things that they do not understand are gone. This book is long overdue and should be read by every trustee who is not a finance professional. James E. Orlikoff, president, Orlikoff Associates Inc and executive director, American Governance Leadership Group. Accounting for 1.4 trillion in expenditures, 13.7 percent of gross domestic product, health care is one of the nation's largest and fastest growing industries. This concise, expertly written primer on health care organization finance is a nuts and bolts guide to what has become every hospital's most sensitive topic. Health care organization board members must possess basic financial competence to govern effectively. This book will help them acquire easily and painlessly the basic financial literacy essential for discharging their roles and fulfilling their fiduciary duties.
