

The background of the slide is a collage of financial and accounting-related images. On the left, a portion of a black calculator is visible, showing buttons for numbers 5, 6, 9, and mathematical symbols like '+', '-', 'x', and '/'. To the right, several silver coins are stacked. The central background features a financial chart with a fluctuating line graph and numerical data points. The overall color scheme is a cool blue-grey.

Das, 2008-06-25 This volume argues for reforms in India's public spending and accounting systems According to the author it will help set performance standards and provide reliable information to monitor government expenditure Critically analysing the cash accounting system he shows that it is inadequate to respond to the requirements of public accounting Comparative in nature the book explores the lessons learnt from cutting edge accounting practices in the UK New Zealand Australia and Sweden and draws out and prescribes methods for India      A Manual for Government Accounting ,1970      **Local Government Asset Accounting Manual** ,1992      Global Urbanization Eugenie L. Birch, Susan M. Wachter, 2011-02-25 For the first time in history the majority of the world's population lives in urban areas Much of this urbanization has been fueled by the rapidly growing cities of the developing world exemplified most dramatically by booming megacities such as Lagos Karachi and Mumbai In the coming years as both the number and scale of cities continue to increase the most important matters of social policy and economic development will necessarily be urban issues Urbanization across the world but especially in Asia and Africa is perhaps the critical issue of the twenty first century Global Urbanization surveys essential dimensions of this growth and begins to formulate a global urban agenda for the next half century Drawing from many disciplines the contributors tackle issues ranging from how cities can keep up with fast growing housing needs to the possibilities for public private partnerships in urban governance Several essays address the role that cutting edge technologies such as GIS software remote sensing and predictive growth models can play in tracking and forecasting urban growth Reflecting the central importance of the Global South to twenty first century urbanism the volume includes case studies and examples from China India Uganda Kenya and Brazil While the challenges posed by large scale urbanization are immense the future of human development requires that we find ways to promote socially inclusive growth environmental sustainability and resilient infrastructure The timely and relevant scholarship assembled in Global Urbanization will be of great interest to scholars and policymakers in demography geography urban studies and international development
