*Accounting, , Study Guide* Donald E. Kieso, Jerry J. Weygandt, 1998 This is the first study guide to accompany Intermediate Accounting The ninth edition of the main text incorporates feedback from student and professor focus groups and teleconferences as well as extensive reviewer surveys The book includes conceptual discussions of selected topics and design and pedagogical features which focus on visually reinforcing and teaching text topics This text exposes students to the foundations of accounting the core of generally accepted accounting principles      **Study Guide for Use with Financial Accounting** Robert Libby, Patricia A. Libby, Daniel G. Short, 2003 Libby Libby Short wrote this text based on their belief that the subject of financial accounting is inherently interesting but financial accounting textbooks are often not They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business When writing this text they considered career relevance as their guide when selecting material and the need to engage the student as their guide to style pedagogy and design Libby Libby Short is the only financial accounting text to successfully implement a real world single focus company approach in every chapter Students and instructors have responded very favorably to the use of focus companies and the real world financial statements The companies chosen are engaging and the decision making focus shows the relevance of financial accounting regardless of whether or not the student has chosen to major in accounting      *CFA Navigator - Level 1 Exam Navigator Study Guide* BPP Learning Media, 2013-01-01 CFA Navigator Level 1 Exam Navigator Study Guide
