2004 Model Commercial Driver License Manual

Andrew Sears,Julie A. Jacko

2004 Model Commercial Driver License Manual:

Introduction to Business and Industrial Security and Loss Control Raymond P. Siljander, 2008 This book presents a treatise on the topic of business and industrial security and loss control as it applies to the protection of assets and personnel. The material in this thoroughly revised and updated second edition will enable law enforcement officers, security, loss control personnel and business managers to view security, loss control needs from a broad perspective and thus devise security measures that will reflect a well thought out systems approach. The book contains a wide range of information and is presented in terms that will be meaningful to readers that do not have formal training or experience in the field of security and loss control. The information is of a practical nature which if applied in a variation that is consistent with specific needs will tailor a program that will result in a well understood balanced systems approach. Through further understanding the effectiveness of police and security personnel is enhanced as they perform crime prevention duties and assist local businesses in upgrading security measures. Replete with numerous illustrations and tables the author provides a security, loss control survey for businesses plus an overview of security for both businesses and industries. Specialized chapters on executive protection, fire dynamics and hazardous materials security cameras, loss control surveys, loss control manager participation and managerial leadership are included. This book will help the officer fine tune investigative techniques when a crime such as a burglary has been committed at a business.

Effectiveness of Commercial Motor Vehicle Driver Training Curricula and Delivery Methods John F. Brock, 2007 TRB's Commercial Truck and Bus Safety Synthesis Program CTBSSP Synthesis 13 Effectiveness of Commercial Motor Vehicle Driver Training Curricula and Delivery Methods explores the state of commercial motor vehicle CMV operator training in the trucking and motorcoach industries.
