Tintinalli, O. John Ma, Donald Yealy, Garth D. Meckler, J. Stephan Stapczynski, David M. Cline, Stephen H. Thomas, 2019-10-22 Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. The long-awaited new edition of the world's most widely used and highly regarded textbook and reference of emergency medicine. A Doody's Core Title for 2019, Tintinalli's Emergency Medicine is THE essential resource for everyone working in and teaching emergency medicine. The Ninth Edition provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine in today's fast-paced environments. This comprehensive text is an important clinical resource for physicians, residents, and students, advanced practice providers, emergency nurses, EMTs, and paramedics. It is a necessary resource for in-training and board examinations and recertification. Tintinalli's Emergency Medicine covers everything from prehospital care, disaster preparedness, and basic and advanced resuscitative techniques to all the significant medical, traumatic, and environmental conditions requiring emergency treatment in adults, children, and neonates. Highlights of the Ninth Edition: Full color design with more tables than ever to succinctly present key information. Extensive updates to all sections incorporating the latest clinical and evidence-based information. Online access to over 100 videos covering a wide range of diagnostic and therapeutic procedures and POCUS for obstetric, gynecologic, pediatric, musculoskeletal, and vascular conditions. World-class pediatric section on the care of neonates, infants, and children. Expanded chapters on the management

of gynecologic and obstetric conditions and emergencies Updated information on toxicologic and environmental emergencies Contemporary concise discussion of ED identification and treatment of opioid use disorders Updated information on procedural sedation Expert advice on the management and care of transgender patients Latest information available on neurologic and cardiac emergencies From the reviews of the seventh edition Collectively they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource Last for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine textbooks available in my opinion Tintinalli's still comes out on top It is more concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others Just as previous editions did the seventh presents all of the most pertinent and up to date information in a well organized format that is comprehensive yet easy to read That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come JAMA

Imprint of Action Krijn H. J. Boom, 2018 Cultural heritage which includes archaeology is recognized as serving an increasingly important role in European societal development But what exactly is the relevance of archaeology to present day citizens *Imprint of Action* investigates the sociocultural impact of archaeology through public activities These activities provide an ideal setting for research as they represent a structured point of encounter between the public and archaeological heritage in analysing them aspects of people's connections to the past are revealed As such this research forms an integral part of the NEARCH project 2013-2018 As a basis for analysis survey data from three large scale case studies DOMunder Netherlands You R Archaeology Cross Europe and Invisible Monuments Greece was used The analysis and interpretation of the case studies is based on a newly created methodological framework which finds its roots in the broader culture and arts sector Results shows that activities encourage participation and interaction which engenders sociocultural impacts on participants most notably in knowledge increase skill development social relations and happiness *Imprint of Action* is the first large scale study focussing entirely on sociocultural impact in archaeology and as such is explorative in nature it provides unique insights into the workings of interaction and participation in archaeological events and openly shares qualitative and quantitative research data with the expanding field In doing so *Imprint of Action* lies the foundations for further analysis of the societal impact of both large and small scale heritage projects and identifies the incontestable values of archaeological heritage to the public

Needles in Haystacks Magda Nico, Marti Taru, Dunja Potočnik, Andrei Salikau, 2017 Cross sectorality is a well known aspect of youth policy but the importance of this aspect does not translate into a common understanding of what cross sectoral youth policy means and of the ways it can be developed This book is a collection of articles detailing concrete experiences of cross sectoral youth policy implementation It starts with the idea that the efficacy and the sustainability of cross sectoral youth policy depends on the degree and nature of interaction between various youth policy subdomains and levels ranging from legal frameworks to

interinstitutional or interpersonal relations and from pan European to local level By making these examples available this book will hopefully support the development of a common understanding of what cross sectoral youth policy means in different countries and settings The authors themselves reflect the diversity of the people involved in youth policy policy makers youth researchers youth workers and workers in the field of youth and this work represents their intention to provide these professionals as well as others interested in the youth field with the knowledge necessary to implement in a real life scenario cross sectoral youth policy
