## At Home With Basenjis:

**At Home with Basenjis** E. Steele Steele, Barbara A. Field, 1967     *Basenji* Juliette Cunliffe, 2012-03-27 Focusing on the barkless dog of Africa this Comprehensive Owner's Guide is dedicated to the Basenji which comes to Westerners via Africa's Congo. The Basenji is unique for his barklessness; he in fact yodels as well as his feline-like cleanliness his terrier-like hunting skills and his teenager-like naughtiness. British purebred dog specialist Juliette Cunliffe traces the origins of the Congo Terrier as it was once called from the jungles of Africa to homes of dog fanciers in England and the United States. While the breed first entered the U.S. in the 1930s the author updates this history with the various African sojourns which yielded brindle-colored dogs being added to the gene pool as recently as 1987. She continues with chapters on the special characteristics of the Basenji and the breed standard assisting the reader better understand this uniquely primitive dog. New owners will welcome the well prepared chapter on finding a breeder and selecting a healthy sound puppy. Chapters on puppy proofing the home and yard, purchasing the right supplies for the puppy as well as house training, feeding and grooming are illustrated with handsome adults and puppies bursting with attitude and personality. In all there are over 135 photographs in this compact, useful and reliable volume. The author's advice on obedience training the smart but not too eager to please Basenji will help readers better mold and train their dogs. The extensive chapter on health care written by the highly regarded veterinarian Dr. Lowell Ackerman provides up to date detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases and more. The chapter on showing and competing in trials will prove informative to the new owner who wants to get involved with his Basenji in the dog sport. Sidebars throughout the text offer helpful hints covering topics as diverse as collars, behavior issues, toxic plants, first aid, crate training, carsickness, fussy eaters and parasite control. Fully indexed.

*The Basenji Revelation* Simon Cleveland, 2004-09-03 Bizarre occurrences haunt a family in their suburban home. At first the husband's peculiar mood swings, weird food preferences and a strange case of amnesia only occasionally scare his wife; that is until the morning when it all changed. Now the mysterious language he speaks can hardly be ignored and the dog's eerie stares don't seem coincidental any longer. The wife turns to a doctor but could her instinct be right about the psychologist's perplexed manner? And when did an Egyptologist who's after his own obsessions get drawn into the family drama? Soon both husband and wife find themselves entangled in a spiral of fear, premonitions and a mysterious fate. Midwest Book Review raves: a rare escapade somewhere between Hell and death at many times gave me the shivers.
