Astrology for Beginners William W. Hewitt, 1992
Breakthrough Astrology Joyce Levine, 2006-06-20 A recognized astrologer offers an innovative way of looking at astrology from a psychological perspective providing tools for self empowerment and self improvement with step by step guidance on how to get a chart Original
A Student's Text-Book of Astrology Vivian Robson Memorial Edition Vivian Erwood Robson, 2010-09 The year before he wrote his famous book on fixed stars Vivian Robson 1890-1942 wrote this one In it he put the distillation of four years intense work spent in the British Museum Reading Room where he studied very nearly every astrology book ever written in English and Latin To this day he is virtually the only man to have ever undertaken a study of this magnitude What makes the Student's Text Book of Astrology unique is its unparalleled wealth of detail Topics include Personal Appearance Character and Mind Health and Accidents Finance Occupation and much more For each Robson gives specific rules of judgment and then supplies aphorisms collected from many ancient sources The result is one of

the most comprehensive astrology books ever written In private conversation he would talk for hours on the science of which he was a master Indeed his knowledge not only of astrology but of many other sciences was phenomenal and few who enjoyed his conversation could fail to go away with an enhanced knowledge of whatever subject had been under discussion He will be remembered best by his two chief books *A Student's Text book of Astrology* and *The Fixed Stars and Constellations in Astrology* Of these the former is deservedly popular and the latter is a classic containing as it does a mass of information dating from the days of Greek mythology up to modern times C E O Carter I have heard him converse knowledgeably on a dozen and one different subjects I really believe he knew something about everything but so far as astrology was concerned his versatility showed forth in a phenomenal knowledge of his subject To converse on astrology with him even if only for one short hour was inevitably to gain something new and valuable in the way of experience and information Dorothy Ryan In this Memorial Edition Obituaries by Charles Carter and George H Bailey Prof Hugh S Torrens monograph Curator Turned Astrologer an Appreciation by Dorothy Ryan an Afterword by the publisher David R Roell a newly prepared index Robson's Death Certificate and more The finest of all of Vivian Robson's books back in print at last *The Ultimate Guide to Tarot* Liz Dean, 2015-05-15 Discover the facts myth history and mystery of the spiritual art of Tarot reading Whether you want to learn to read the cards or deepen your Tarot interpretation skills *The Ultimate Guide to Tarot* honors the deep heritage of Tarot while guiding you through practical techniques Tarot expert Liz Dean offers an overview to all of the important elements of each card from symbols to links with astrology kabbala and numerology *The Ultimate Guide to Tarot* also includes all the classic tarot spreads Celtic Cross Horseshoe Star and Astrological Year Ahead plus a mini layout to try for each of the 22 major cards Learn how to combine the three essential ingredients of a great tarot reading knowing the meaning of the cards how to lay them out and trusting the intuitive messages the images often spark within us during a reading This synthesis is the true magic of tarot With the authority and confidence this book offers *The Ultimate Guide to Tarot* will be the must have companion for beginner readers and tarot aficionados alike *Esoteric Astrology* Torgny Jansson, 2005-12-05 If you are interested in understanding more about your true self the purpose of life and your spiritual path *Esoteric Astrology* is the book for you You will be guided into a deeper dimension of astrology and the spiritual laws behind all life for example the law of reincarnation and karma There is a great difference between esoteric astrology that interprets the horoscope from the viewpoint of the soul and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self An esoteric astrologer looks for the purpose of the soul and the inner causes behind what happens to you in life What are your talents and limitations so that you can make use of and increase your good sides and eliminate or limit the bad habits The book is written in a simple language it is a beginner's guide to astrology You will need no previous knowledge about astrology to read this book This book is meant for anyone who is interested in spirituality and astrology But it is also recommended for you who have studied astrology and wish to add a spiritual

dimension to the subject This book includes many important areas such as human relations how to cast a horoscope diseases the purpose of life and an esoteric interpretation of the signs The book helps you to understand more about yourself But to this is added astrology for humanity and nations how astrological energies are influencing and are determinative for society From the perspective of a spiritual background this is indeed an entirely new way of looking at our civilization
