2014 November Tourism Question Paper:

Handbook of Technology Application in Tourism in Asia Azizul Hassan, 2022-07-09 It is an undisputed reality that the tourism industry in Asia is getting exposed to more innovative technologies than ever before This proposed book provides the latest research in the application of innovative technology to the tourism industry covering the perspectives innovativeness theories issues complexities opportunities and challenges This book a blend of comprehensive and extensive effort by the contributors and editors is designed to cover the application and practice of technology in tourism including the relevant niches This book focuses on the importance of technology in tourism This also highlights in a comprehensive manner specific technologies that are impacting the tourism industry in Asia as well as the constraints the industry is facing The contents of this book deal with distinct topics such as mobile computing new product designs innovative technology usages in tourism promotion technology driven sustainable tourism development location based apps mobility accessibility and so on A good number of research studies have conducted outlining the contributions and importance of technologies in tourism in general However the tourism industry of Asia so far has attracted very few researchers Some contributions have been made but not sufficient Considering the ongoing trend of technology application in the tourism industry in Asia very few research attempts have been made aiming to explore diverse aspects Tourism is expanding enormously across the world which actually creates more demands for effective technologies This book will be a reading companion especially for tourism students in higher academic institutions This book will also be read by the relevant policy planners and industry professionals Apart from them this book will be appreciated by expatriate researchers and researchers having keen interest in the Asian tourism industry

Risk and Safety Management in the Leisure, Events, Tourism and Sports Industries Mark Piekarz, Ian Jenkins, Peter Mills, 2015-09-02 The management of risk and safety is not simply a matter of trying to remove risks but is necessary and vital to these industries Sensible risk management is concerned with making the most of the positive opportunities or reducing the negative risks This books shows how the absence of explicit risk practices is not necessarily an absence of risk management and how many existing operational and strategic practices can be understood as part of a process of risk and safety management Its main objective is to develop greater clarity in the communication of risks and the development of safety programmes illustrating how organisations can use a single language of risk relevant for all levels of management and areas of operation

Gastronomy for Tourism Development Almir Peštek, Marko Kukanja, Sanda Renko, 2020-08-26 Gastronomy for Tourism Development provides readers with insight into the political reasons all countries in the region pay little attention to the common gastronomic heritage It challenges the issues faced by those within the industry addressing the potential for the region to become a sustainable and attractive European food destination

The Limits of Pilgrimage Place T.K Rousseau, 2021-07-28 Through case studies of three pilgrimage sites related to the Virgin Mary this book explores how pilgrimage places in today s globalized world do not exist as contained spaces but have porous boundaries both physically

and conceptually Taking an interdisciplinary approach that draws on art history and heritage studies the book considers the cathedral of Chartres France Medjugorje in Bosnia and Herzegovina and the House of Mary near Ephesus Turkey In all three sites the place of pilgrimage accommodates multiple different purposes and groups of people intermingling devotional and commercial aspects different memory narratives and heterogeneous audiences By mapping these porous boundaries the book calls into question how we define pilgrimage place and shows how pilgrimage sites are not set apart from the everyday world but intimately connected with wider cultural political and material dynamics This study will be relevant to scholars engaging with issues of pilgrimage cultural heritage and art across religious studies art history anthropology and sociology
