Spellman's Standard Handbook Wastewater Operators Frank R. Spellman, 2000-04-10 Spellman's Standard Handbook for Wastewater Operators is a three volume study guide and readily accessible source of information for review in preparing wastewater personnel for operator certification and licensure. These handbooks are resource manuals and troubleshooting guides that contain a compilation of wastewater treatment information, data, operational material, process control procedures, and problem solving safety and health information, new trends in wastewater treatment administration and technology, and numerous sample problem solving practice sets, many based on actual tests. The Handbook volumes review the wastewater operator's job related knowledge as job requirements identified by the examination developers as essential for a minimally competent Class IV through Class I or Grade I through Grade V wastewater treatment plant operator. Every attempt has been made to make the three Handbook volumes as comprehensive as possible while maintaining their compact practical format.

McDonald's the Nurse Educator's Guide to Assessing Learning Outcomes Tresa Kaur, 2024-12-09 McDonald's The Nurse Educator's Guide to Assessing Learning Outcomes Fifth Edition is a comprehensive guide for nurse educators that covers the assessment of critical thinking, the development of learning objectives, and the creation of tests, including detailed tips for writing many kinds of individual test items. This unique resource also covers the analysis of test reliability. Examples of effective and ineffective test items are included throughout to help faculty and nurse educators deepen their understanding of how to create effective tests and assess student learning. The updated Fifth Edition features two new chapters dedicated to the NextGen NCLEX to prepare faculty to develop questions for their students, addressing the move from critical thinking to clinical judgment.
