

ATI Practice Assessment Remediation

Overview

ATI assessments not only give you the opportunity to practice NCLEX-style questions, they examine which areas you need to improve in order to pass the NCLEX. Remediation is the most important component of ATI. It is what helps students determine areas where they may need additional instruction or improvement in their knowledge levels. Your remediation will be based on the completion of Active Learning Templates for major content areas where less than 75% is scored. Even students who score 100% on the Practice Assessments will be required to complete remediation Active Learning Templates.

Active Learning Templates (ALT) are like concept maps or worksheets that students complete based on each topic area they missed. The students will use the focused review activities tab to help them complete the active learning templates.

Review your first attempt and determine the number of ALTs you will need to complete. Remediation must be handwritten and dated with the student's name.

First Assessment Score	Minimum Number of ALTs to Submit
100-90%	5
89-80%	7
79-70%	9
69-60%	11
59-50%	13
