## *Secondary Cities and Local Governance in Southern Africa*

Abraham R. Matamanda,James Chakwizira,Kudzai Chatiza,Verna Nel,2024-01-16 This book is the first to consider the roles challenges and governance responses of secondary cities in southern Africa to changing circumstances Among the challenges are governance under conditions of resource scarcity managing informality the effects and responses to climate change and the changing roles of the cities within the national space economy It fills the gap in the literature on secondary cities with original case studies drawn from South Africa Zimbabwe and Mozambique The authors are all African scholars working and living in the region with intimate knowledge of the settings they describe The book is critical as it includes such regional case

studies of different secondary cities in Southern Africa but also because of its multidisciplinarity it contains substantive and pertinent issues such as climate change disaster management local economic development and basic services delivery It considers diverse environments yet with similar challenges that could provide useful policy and governance proposals for other cities *Who's Who in the West, 1996-1997* Marquis Who's Who,Marquis Who's Who Staff,1995-11 *Journal of the*
