Be My Enemy:

Be My Enemy Christopher Brookmyre, 2011-06-16 The fourth book in the Jack Parlabane series from author Christopher Brookmyre It was a junket a freebie A team building weekend in the highlands for lawyers advertising execs businessmen even the head of a charity Oh and a journalist specially solicited for his renowned and voluble scepticism Jack Parlabane Amid the flying paintballs and flowing Shiraz even the most cynical admit the organisers have pulled some surprises stalkers in the forest power cuts in the night mass mobile phone thefts disappearing staff disappearing guests there s nothing can bring out people s hidden strengths or break down inter personal barriers quite like not having a clue what s going on and being scared out of your wits However when the only vehicular access for thirty miles is cut off it seems that events are being orchestrated not just for pleasure And that s before they find the first body Thereafter finding out who your colleagues really are is not so much an end product as the key to reaching Monday morning alive *My Enemy's Daughter: a Novel* Justin MACCARTHY (M.P.), 1869 **My Enemy's Daughter** Justin McCarthy, 1869 *My Enemy's Cradle* Sara Young, 2008 Cyrla has been warned that her neighbors know she is half Jewish grounds for certain arrest in their Nazi occupied town A cruel twist of fate places Cyrla in a terrible dilemma in this page turning debut novel *The War of the Rebellion* United States. unique work seeks to show a way forward

COMMENDATIONS In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological political and apocalyptic certainties this book is a bravely different voice Rather it is two voices talking carefully honestly graciously respectfully and truthfully to each other as sisters and brothers in the Messiah should This is a unique conversation in which each partner Messianic Jewish Israeli and Palestinian Christian gives full expression to all that they are and think and feel about themselves and the conflict in their land We are treated to some stretching theological debate and some honest self criticism But above all we come to share the hope and courage that shines through the pain and struggle

Christopher J H Wright International Ministries Director Langham Partnership UK The Palestinian Israeli divide may be the most intractable conflict of our time With great courage honestly facing the turbulent political historical and theological landscape which authentic reconciliation must engage Munayer and Loden open up fresh space Given the divides between their communities this book is a remarkable achievement a cry of hope from the land where Jesus walked
