Safety and Health Charles D. Reese, James Vernon Eidson, 1999-05-24 Although the construction industry employs only five percent of the nation's work force it suffers 20 percent of the nation's occupational fatalities and 12 percent of all U.S. injuries. Because of this the Occupational Safety and Health Administration (OSHA) has consolidated their construction standards compliance assistance cooperative programs and technical services to form the Directorate of Construction. Construction sites and operations have become the prime targets for the Directorate of Construction which has greatly increased its number of inspections, citations and penalties. The Handbook of OSHA Construction Safety and Health is for safety professional, contractor, project manager and owner who has the responsibility of implementing an effective on-site safety and health program. These professionals are now in charge of everything from the safe operation of equipment to the safe removal of hazardous waste from the construction site. It is a practical guide that can be used by the construction industry on existing and future projects and jobsites in the critical area of occupational safety and health. Written using OSHA's Construction standards as a framework, the book provides those responsible for construction safety and health with a definitive guide for eliminating safety and health hazards from construction worksites. In addition, the handbook addresses subjects such as contractor liability, multi-employer sites and focused inspection which are real and time problem areas faced by the construction industry. The Handbook of OSHA Construction Safety and Health contains a model safety and health program, examples of accident analysis and prevention approaches, sample safety and health checklist and forms and over 300 illustrations.

Monthly Catalog of United States Government Publications, 1976 Occupational Health and Safety Technical Assistance Manual, 1993 *Navy Lifeline*, 1983 *Employment Safety and Health Guide*, 2004 Includes original text of the Occupational Safety and Health Act of 1970 OSHA Compliance Manual for the Supermarket Industry, 1992 *Occupational Safety and Health* United States.
