Roxby is a highly trained operative whose career began with quiet efficiency progressing from general Infantry at Lavarack Barracks to the elite Special Air Service Regiment SASR. Following his rigorous six week Cadre Course and nine month Reinforcement Cycle training in Perth, Roxby served on denied operations in locations including Timor, Afghanistan and the Solomon Islands. He was trained to be a ghost, methodical, detached and able to vanish into a crowd, plan a hit or walk away clean. His military career ended due to a serious injury sustained in Kandahar Province. After his discharge, Roxby briefly served in the Victorian Police, fast tracked due to his SAS credentials but became disillusioned with the court system and legal loopholes. For over five years he has been a Senior Operative for the Australian Federal Police's secret black ops division FOCUS Federal Operatives for Covert Urban Suppression. Operating outside the traditional legal framework, Roxby is tasked with executing justice against high value targets by arresting, trying and passing the death sentence on the spot. He is known for being measured, strategic and controlled, always looking for a way out.
