The Privatization of Israeli Security Shir Hever,2017-11-20 Between 1994 2014 Israel s security service was transformed becoming one of the most extreme examples of privatised security in the world This book is an investigation into this period and the conditions that created Occupation Inc the institution of a private military security industrial complex State sponsored violence is increasing as a result of this securitisation but why is it necessary and what are its implications In this book Shir Hever considers the impact of the ongoing Palestinian resistance to Israeli occupation the influence of U S military aid and the rise of neoliberalism in Israel to make sense of this dramatic change in security policy Through the lens of political economy this book shows how the Israeli security elites turn violence into a commodity in order to preserve their status and wealth providing a fresh new perspective on the Israeli occupation

Patriarchy Inc. Cordelia Fine,2025-08-19 A razor sharp and quick witted analysis of why we need a new approach to fixing the gender inequality embedded in work Work remains much as it always has men occupy the vast majority of leadership roles and are overrepresented in positions from engineer to plumber We see many jobs as male or female with women dominating in healthcare and childcare professions Pretending that this is the natural state of things or that instead both sexes should submit to working 24 7 is just not right In Patriarchy Inc Cordelia Fine examines with razor sharp and quick witted analysis why gender inequality is embedded in the workplace and why it has to change Drawing on theories from evolutionary science psychology economics and sociology she examines two of the most prominent movements in the corporate world The

Different But Equal viewpoint espouses that women are in the jobs they want despite their lower status and salaries In the meantime DEI Diversity Equity Inclusion has become a slogan that emphasizes productivity and profit not fair play Fine shows how both are wrong and the bad effects on everyone when men are still stuck in traditional breadwinner roles and women are having to fight for their due Offering perceptive and much needed insight into the current state of work

Patriarchy Inc explores how we can get closer to achieving equality even if it means upturning business as usual **A Civic**

Entrepreneur Monty Jones,2018-07-09 This biography details the life and career of George Kozmetsky a prominent

Elizabeth Bernstein,Janet R Jakobsen,2021-12-24 From the rise of far right regimes to the tumult of the COVID 19 pandemic

recent years have brought global upheaval as well as the sedimentation of longstanding social inequalities Analyzing the

complexities of the current political moment in different geographic regions this book addresses the paradoxical persistence

of neoliberal policies and practices in order to ground the pursuit of a more just world Engaging theories of decoloniality

racial capitalism queer materialism and social reproduction this book demonstrates the centrality of sexual politics to

neoliberalism including both social relations and statecraft Drawing on ethnographic case studies the authors show that

gender and sexuality may be the site for policies like those pertaining to sex trafficking which bundle together economics and

changes to the structure of the state In other instances sexual politics are crucial components of policies on issues ranging

from the growth of financial services to migration Tracing the role of sexual politics across different localities and through

different political domains this book delineates the paradoxical assemblage that makes up contemporary neoliberal

hegemony In addition to exploring contemporary social relations of neoliberal governance exploitation domination and

exclusion the authors also consider gender and sexuality as forces that have shaped myriad forms of community based

activism and resistance including local efforts to pursue new forms of social change By tracing neoliberal paradoxes across

global sites the book delineates the multiple dimensions of economic and cultural restructuring that have characterized

neoliberal regimes and emergent activist responses to them This innovative analysis of the relationship between gender

justice and political economy will appeal to interdisciplinary scholars in social and cultural studies legal and political

theorists and the wide range of readers who are concerned with contemporary questions of social justice *Indonesia's*
