

Distributive Property

$$x(a + b) = ax + bx$$

Multiplying a sum by a number is the same as multiplying each addend by the number and then adding the products.

Eureka Math Algebra II Study Guide Great Minds, 2016-08-15

The team of teachers and mathematicians who created Eureka Math believe that it's not enough for students to know the process for solving a problem; they need to know why that process works. That's why students who learn math with Eureka can solve real-world problems even those they have never encountered before. The Study Guides are a companion to the Eureka Math program, whether you use it online or in print. The guides collect the key components of the curriculum for each grade in a single volume. They also unpack the standards in detail so that anyone, even non-Eureka users, can benefit. The guides are particularly helpful for teachers or trainers seeking to undertake or lead a meaningful study of the grade-level content in a way that highlights the coherence between modules and topics. We're here to make sure you succeed with an ever-growing library of resources. Take advantage of the full set of Study Guides available for each grade PK-12 or materials at eureka-math.org such as free implementation and pacing guides, material lists, parent resources, and more.
